SALES AGREEMENT

1. I/we make application to Seller (hereinafter collectively referred to as "Seller") for credit and/or to obtain further credit with Seller. I/we further agree to the sales terms set forth herein. I/we certify that the above information is true and correct to the best of my/our knowledge and further agree that a facsimile shall be as binding as an original signature. This agreement amends, modifies and supersedes any and all prior written and/or oral discussions and agreements. Any such prior discussions and agreements are merged herein.
2. Unless otherwise specified on the face of the Seller invoice, all goods and services are sold F.O.B. my/our plant or manufacturer's plant. Delivery of goods to the carrier shall constitute delivery to me/us and all risk of loss or damage in transit shall be borne by me/us. Any delivery of goods and services by Seller is subject to a delivery charge.
3. I/we agree to supplement the information stated hereon upon request, and give our permission to Seller and/or its agents to verify and/or supplement the information stated hereon. I/we acknowledge that Seller may use third parties for credit services and for information to make any credit decisions.
4. If credit is granted, I/we promise to pay all bills when rendered, and agree to pay interest on past due balances at 18% per annum unless agreement to such amount is not allowed by law and in that event, at the highest rate allowed by law.
5. I/we agree that invoices and monthly statements are accurate in all respects and waive any right to later object to the amounts stated therein, unless I/we notify Seller in writing within 10 days of receipt of new charges on the invoice or statement. Payments received toward the account may be applied to the unpaid balance as Seller deems appropriate.
6. I/we agree to pay upon demand all of Seller's costs and expenses, including attorneys' fees and legal expenses, incurred by Seller in connection with collection of any amounts owed to Seller, including all attorneys' fees and other expenses relating to defenses, affirmative defenses and/or counterclaims that I or we may raise in any collection action initiated or pursued by Seller which must be resolved prior to collection by Seller of any amounts owed or enforcement of any terms of this agreement and/or a related guarantee. Seller may pay someone else to help enforce this credit agreement, and I/we shall pay the cost and expenses of such enforcement. Costs and expenses include but are not limited to all attorneys' fees and legal expenses billed by a law firm or attorney, or persons hired by a law firm or attorney, and their billings, whether or not there is a lawsuit, including attorneys' fees and legal expenses for bankruptcy proceedings (and including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services.
7. Venue and jurisdiction of any suit or legal action may be had in Seattle, King County, Washington at the sole option of Seller. This agreement shall be construed and enforced in accordance with the laws of the State of Washington.
8. I/we agree to notify Seller, in writing, prior to any change of ownership and shall be liable for purchases of any buyer of the business should said notification not be given, notwithstanding any liability of the purchaser.
9. I/we agree that claims for shortages and/or notice of non-conforming goods must be made within 48 hours of delivery. The sole and exclusive remedy for non-conforming goods shall be replacement or refund of payment at Seller's option.
10. SELLER warrants the goods sold are as described in Seller's invoice(s). Goods not manufactured by Seller are not warranted by Seller and carry only the warrant(ies) of the manufacturer. SELLER DISCLAIMS ANY AND ALL WARRANTIES (EXPRESS AND IMPLIED) CONCERNING OR RELATING TO ANY AND ALL GOODS INCLUDING THOSE OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.
11. I/we agree that Seller's liability with respect to this contract, any warranty, or the manufacture, delivery, installation, repair, or use of any goods under this contract shall not exceed the stated selling price of the goods upon which any such liability is based. I/we agree that Seller shall not be liable for any incidental or consequential damages. I/we agree that the remedies set forth herein are exclusive, and I/we can bring no action more than one year after accrual of the cause of action therefor.
12. I/we agree that any goods accepted for return are subject to Seller's restocking charge.
13. Seller reserves the right to revoke any credit extended to me/us if I/we fail to pay for any shipments when due. If in Seller's opinion there is a material adverse change in my/our financial condition, Seller shall have the right to suspend further shipments until receipt of adequate assurance of my/our ability to pay therefor. My/our refusal to furnish such assurance within a reasonable time or failure of me/us to perform obligations under this or any other existing contract with Seller shall entitle Seller without notice to cancel this contract or so much of it as may remain unexecuted, all without prejudice to any claim for damage or any other remedy Seller may be entitled to make.
14. Seller shall not be liable for any delay in manufacture or delivery due to causes beyond reasonable control of Seller. If the performance of the contract by Seller is made more burdensome by reason of any such cause of delay, Seller may request an increase in the price of goods sold hereunder to compensate for such extra burden and may cancel this contract without penalty upon my/our failure to agree to such price increases. If the delay shall continue for ninety (90) days, then either party may, by written notice to the other, cancel this contract except as to goods specifically acquired by Seller for this contract or in the process of manufacture at the time such notice is received.
15. Except as provided in paragraph 14, I/we cannot cancel an order(s) except by mutual consent. Notice is hereby given that Seller will not consent to cancellation if manufacturing or processing of my/our goods has commenced, special goods have been purchased for this order or been assembled for loading.
16. Seller's failure to insist upon strict performance of any provision of this agreement shall not be deemed to be a waiver of the Seller's rights or remedies, or a waiver by Seller of any subsequent default by me/us in the performance of, or compliance with, any of the terms of this agreement.

18. To the extent the terms of this agreement conflict with the terms of any other agreement I/we have with Seller, the terms of this agreement shall prevail unless Seller expressly agrees in writing that the terms of this agreement are modified and such agreement expressly modifies this agreement and refers to this agreement by date and title.
19. If at any time my/our account becomes delinquent, I/we authorize Seller to charge the outstanding balance to my/our credit card account(s) listed in the New Account Information section above.
20. In the event that a lawsuit is commenced, I/we waive the right to jury trial on any or all issues, including but not limited to, claims that might be asserted against Seller, issues relating to non-payment of monies owed to Seller, defenses, affirmative defenses, and/or counterclaims.
